

SERVICES SCHEDULE – PEERING SERVICES

Special Conditions	<ol style="list-style-type: none">1.1. The provisions of this Services Schedule apply to Peering Services that You order from Us.1.2. In this Services Schedule, Peering Point means the peering point that You select and specify in Your order at the time You order Peering Services from Us.1.3. You must provide Your own access facilities and services to enable Your connection to the Peering Point as required and directed by Us.1.4. Without limiting clause 1.3, You agree that the Peering Services do not include the provision of internet access services and that You are solely responsible for Your procurement of and payment for any relevant internet access services, including any necessary bandwidth required by You.1.5. You agree that in the course of using the Peering Services:<ol style="list-style-type: none">(a) prior to peering with any other Member at the Data Centre, You and the other Member (or Members, if the Peering Services arrangement is on a multilateral basis) will be deemed to have confirmed that You and the other Member:(b) each consent to the Peering Services arrangement between You and them;(c) agree and acknowledge that the Peering Services may not necessarily be secure;(d) agree and acknowledge that the Peering Services will not be fault free or error free;(e) agree that We and Our Suppliers do not have any responsibility for loss of data, delays, non-deliveries, or mis-deliveries of data;(f) agree that We and Our Suppliers do not have any responsibility for any content accessed through the Peering Services (including inaccurate, incomplete or out of date information).1.6. You must not access any data or resources of Members who You peer with unless You are authorised to do so by those Members.
